Canine Refresher Workshop Geelong October 5th 2019

You're only treating canine patients with acupuncture occasionally and would like to get more confident with your treatment approach?

You want to increase the acupuncture load amongst your cases but need a booster in how to treat the most common conditions?

You're not sure about your current treatment approach and would like to refresh some skills amongst like-minded people in a relaxed and supportive environment?

Then this is the right event for you!

Course description:

To get the most out of the day, the workshop is divided in a theoretical and practical part:

During the morning, we will cover commonly treated conditions (like osteoarthritis, IVDD, canine cognitive dysfunction/ geriatrics, muscle injuries, separation anxiety); we will talk about needle insertion techniques, needle type, positioning of the patient and tips and tricks for difficult patients.

The afternoon will consist of practical sessions on canine patients and demonstrations, including the use of electro- acupuncture.

We will finish off the day with a discussion of the cases and individual questions. of participants.

Where: Geelong Conference Centre

When: October 5th 2019, 9am-4pm

Cost: \$550 (includes lunch)

Bookings:

contact@vetacupcollege.com.au

Requirements: Qualification in Veterinary Acupuncture (IVAS, Chi, CIVT)
